

Bachelor seminar and bachelor thesis in summer term 2023

I. Topics

For the summer term 2023 the topics listed below will be assigned as Bachelor theses. They are required to be written as a National Report (country reports from a German perspective), study of comparative law or academic paper in English.

1. **Reforming Energy Taxation in Europe**
2. **Should there be a European excise duty on carbon intensive goods?**
3. **Tax Technology in International Direct Taxation**
4. **Tax Technology in National Direct Taxation**
5. **Income Taxation and Inflation**
6. **The German Energy Allowance – What kind of income is it?**
7. **The German Energy Allowance – Does it serve its purpose?**

II. Workload and ECTS

- Participation in the seminar sessions and writing a bachelor thesis in **English language** (25 pages), Interim presentation and discussion of the results in English (approx. 30 minutes)
- 3 ECTS for the seminar on the bachelor thesis (ungraded part of the work)
- 12 ECTS for the bachelor thesis (graded part of the work)
- Student must register for the seminar as well as the written work via Campo

III. Mentoring

Professor Dr. Roland Ismer and research assistant Quirin Jackl.

Appointments for meetings will be arranged individually with the tutors to further elaborate and delimit the content of the topic.

IV. Time frame

Time frame for the students of the bachelor's degree Business Studies/ Wirtschaftswissenschaften and comparable courses at WISO is from 11.05.2023 until 06.07.2023 (9 weeks).

The creation phase is based on the study examination regulations applicable to your degree program. You will find further information there.

V. Registration

Please register for the Bachelor's Seminar **by 19.04.2023, 12:00 am (cut-off deadline!)** at the latest via E-Mail (quirin.jackl@fau.de) for the bachelor seminar. Please send us the application form "Application for the seminar and the bachelor's thesis" (see StudOn) and your current transcript of records. Applications received after this date cannot be considered. Topics will be assigned to two candidates on **21.04.2023** and must be written independently by each participant. Should the pre-registrations exceed the planned capacity, seminar participants will be selected according to suitability.

It is not possible to swap topics. A binding registration must be submitted by **28.04.2023** at the latest. If there is no response by then, we will assume the topic was rejected. In this case there will be no registration for the Bachelor seminar.

VI. Seminar dates

1. Introductory event **tba**, expected Wednesday, 10.05.2023
 - ➔ Presentation of the expected scope of the bachelor's thesis
 - ➔ Requirements in form and content
 - ➔ Instructions on literature research
2. Meetings to discuss the outline **after arrangement**
[Individual dates will be announced in appropriate time]
3. Short presentations **tba**, June.2023.
 - ➔ Short presentation by the seminar participants on the subject of their work

VII. Overview: Application procedure

Application deadline	19.04.2023, 12:00 am (cut-off deadline!)
Application by email to	quirin.jackl@fau.de
Application documents	<ul style="list-style-type: none"> - Form: " Application for the seminar and the bachelor's thesis " <i>[Available on StudOn Attention: This form is only for the registration at our chair and does not include the registration at the examination office. This must be done separately. An appropriate form for registration at the Examinations Office will be provided in the introductory course.]</i> - Current transcript of records
Assignment of topics / selection of applicants	21.04.2023, via e-mail
Acceptance of the seminar topic by the seminar participants	<p>Binding acceptance of the assigned topic by the seminar participants by 28.04.2023</p> <p>= official registration of the bachelor's thesis at the chair</p> <p><i>[If no response is received by 28.04.2023 this will be deemed to be a rejection of the assigned topic and therefore as a decision not to attend the seminar.]</i></p>

VIII. Submission of the bachelor thesis

The Bachelor thesis must be submitted in duplicate to the Examination Office within the time limit. In addition, a digital version of the thesis is to be submitted **to both the examination office and the chair**. A CD with the literature used must be submitted to the Examination Office. For the formal structure of the thesis, reference is made to the Chair's guidelines for the preparation of a scientific paper. For the summer term 2023 the deadline is 06.07.2023.
